Memorandum

To: Roger Kolman, City Manager

From: Greg Edwards, Fire Chief

Re: Forestry Agreement

Date: January 30th, 2020

BACKGROUND

The City of Coweta Fire Department receives money each year through an operational grant with the Oklahoma Department of Agriculture, Food and Forestry. The money we receive through this grant is approximately \$2,500.00 per year and used for equipment for the department. Without this agreement the department will receive no operational grant for the year 2020.

STAFF RECOMMENDATION

Staff recommends that council approve the agreement with the Oklahoma Department of Agriculture, Food and Forestry and be signed by the Mayor.
