Memorandum

To: Honorable Mayor and City Council

From: Wes Richter, Public Works Director

Re: Surplus of old water meters

Date: October 5th 2020

BACKGROUND

The Coweta Public Works Authority recently completed the meter change out project and now have old meters that can be surplused. There are 3,183 - 5/8", 22 – 1", 6 – 1.5" and 36 – 2" meters from various manufacturers that are no longer usable by the Public Works Authority.

The PWA will seek quotes from several companies to remove and recycle the meters and sell such to the company providing the highest quote.

STAFF RECOMMENDATION

Staff recommends approval to surplus the old water meters and authorize the Trust Manager to sell the old meters to the highest bidder.
