It is the responsibility of the owner/contractor to call for all necessary inspections. A Certificate of Occupancy must be obtained prior to use of the structure. Proof of contractor's general liability insurance and workers compensation insurance is required with this application.			
I hereby certify that the statements in this application and the attachments hereto are true and correct and that the property owner has given permission for this work to proceed. I further certify that all construction work under this permit will conform to the submitted, attached plans, specifications and drawings; to the Codes, Ordinances, Regulations, and Criteria of the City of Coweta; and that all electrical, plumbing, mechanical, roofing and driveway construction shall be performed by contractors licensed by the State of Oklahoma and by the City of Coweta. With the execution of this building permit, I acknowledge and accept, as co-permittee, the terms and conditions of the storm water pollution prevention plan.
