The applicant must appeal the Planning Commission's denial by filing a written request fee with the City Clerk requesting a hearing before the next regular meeting of the City Council. Upon approval and referral of the request from the Planning Commission to the City Council (or approval of an appeal which overturns a denial by the Planning Commission) the City Council will hold two public hearings. The first public hearing will solicit comments from citizens after a first reading of an ordinance relating to the zoning change. The Council will not vote or comment on the proposed change. At the next regular meeting of the City Council a second hearing will solicit additional comments from citizens. The Council will than vote to approve or deny the City Ordinance and order the publication of the same in the Coweta American.

YOU WILL BE BILLED DIRECTLY BY THE BUSINESS OFFICE OF COWETA AMERICAN-NEIGHBORHOOD NEWSPAPERS FOR THE PUBLICATION OF THE ORDINANCE.

6. City Council Approval and Effective Date:

Under State Law the zoning change becomes effective 30 days after date of first publication of the ordinance. Prior to the issuance of a building permit a plat or plat waiver will be required for unplatted areas or areas where the zoning change represents a departure from land uses in surrounding areas. For office, commercial and industrial construction, approval of a Detail Site Plan is required before a building permit can be issued.
