TRASH TALK

Due to the upcoming Holidays your trash pickup days will be affected. For the week of Christmas, normal Tuesday pick up will be picked up on Wednesday December 26th. For the week of New Year's, normal Tuesday pickup will be picked up on Wednesday, January 2nd.

Please place you trash out by 7:00 A.M. on that day. Feel free to contact the Public Works office at (918) 486-8073 if you have any questions regarding your trash service during the holidays.

FROM THE COWETA FIRE DEPARTMENT

We have a new airway device at the Coweta Fire Department. It allows the paramedics to visually inspect a person's airway in a critical situation. It is a state of the art device and WE are one of very few departments with this life-saving device. This again shows the City's commitment to our citizens in protecting your health and safety.

FROM THE POLICE DEPARTMENT

The Coweta Police Department is pleased to announce full implementation and upgrade of the E911 system to the new Sentinel Patriot platform for the Next Generation E911 readiness. The new Sentinel Patriot platform uses broadband technology that will allow for expanded capability and improve response times for life-threatening situations. This system also lays the ground work for the future ability to receive emergency text messages from cell phones from customers with disabilities or from circumstances where a phone call could further jeopardizes someone's safety.

E911 services are critical in the event the E911 Communications Center at the Police Station was lost to a natural or manmade disaster. The Patriot platform provides for a mobile Sentinel Command Post for disaster recovery. The mobile E911 Command Post Center is a fully functional E911 backup system for the City of Coweta. In the event of a disaster, E911 service can be restored within minutes through the use of the Sentinel Command Post.

CHRISTMAS BREAK AT THE LIBRARY

Stop by the Coweta Public Library for a fun-filled crafting afternoon on Thursday, December 20th from 2:00 p.m. to 4:00 p.m. On Friday, December 21st, board games and Xbox will be set in the Conference room from 1:00 p.m. to 4:30 p.m.

Please!

Don't pour grease down your sink!

Grease should not be placed down your drains. A large majority of wastewater line clogs are due to grease being disposed of down sink drains. Please place grease in a container and dispose of it in the trash.

*** 'TIS THE SEASON ***

MANY PEOPLE WILL BE DECORATING THEIR LAWNS WITH BEAUTIFUL HOLIDAY DÉCOR, LET'S KEEP OUR NEIGHBORHOODS LOOKING GOOD!

PLEASE
DON'T PARK
ON THE
GRASS
