To: Deputy Chief Brian Woodward

Coweta, OK Fire Department

Coweta, OK 74429

Ref: Prev Aug 23, 2021 Proposal HME Silver Fox Rescue/Pumper

The undersigned is prepared to arrange for you, upon an order being placed by you, and acceptance of same by the HME Ahrens-Fox Truck Manufacturing Company, the manufacture of and with equipment described on the herein named:

HME Custom Silver Fox SFO 96" Side Mount Pumper

With no State, Federal or Local taxes included, for quantity one (1) of the side-mount pumper per the item descriptions referenced attached Stripper and related engineering drawing for the following Bid Price:

FOUR HUNDRED SEVEN THOUSAND DOLLARS AND NO CENTS.

\$407,000.00

The Apparatus and Equipment described herein is presently in production at the Wyoming, MI plant of the HME Ahrens-Fox Truck Manufacturing Company with the now expected completion date of approximately January 25, 2022 for delivery from the HME Truck Manufacturing Company in Wyoming, MI. The stated sell price does include the State of Oklahoma NASPO admin fee of One (1) Percent sell price and the NASPO administrative fee of One Quarter (0.25) percent of the sell price so that the stated Bid Price does include the combined 1.25% of the sell price of the apparatus with the understanding the NASPO Value Point Co-op program will be used. For clarification at this time, the price does not include costs for possible travel by Members of the Coweta, OK Fire Department to the Wyoming, MI manufacturing plant for possible meetings to discuss the Design, Manufacture, Testing, or final inspection of the apparatus. The price also does not include costs of delivery of the apparatus from the HME Manufacturing Plant near Grand Rapids, MI to the Coweta, OK Fire Department.

The specification items contained in the referenced enclosed Quote Stripper for this apparatus shall form a part of a final contract, and are subject to changes desired by the purchaser, provided such alterations are defined prior to the acceptance by the Company of the offer to purchase, and provided such alterations do not materially affect the cost of the construction of the apparatus. Upon signature of the Purchase Contract by the Coweta Fire Department and the HME Ahrens-Fox Truck Manufacturing Company, a Pre-Construction Conference will be held with at a minimum, Qualified Representatives of the Fire Department and myself representing the Route 66 Emergency Equipment Dealership to ensure all specifications are correct and approved prior to any beginning of construction.

In addition, enclosed in this binder are printed detailed specifications of the apparatus consistent with the Stripper. It should be mentioned that the specific SN 23850 is available for purchase at any time by any party and making it available at this time does not guarantee its availability. Its availability can be assured by deposit of ten (10) percent of the stated purchase price.

If this proposal is not accepted by the purchaser within thirty (30) days from the date of this proposal, we reserve the right to withdraw this proposal.
