All references to MFSOK and Client in this Agreement shall be deemed to refer to any successor of MFSOK and to any such assignee of Client and shall bind and inure to the benefit of such successor and assignee whether so expressed or not.

V. Municipal Advisor Registration and Acknowledgement

Pursuant to Municipal Securities Rulemaking Board Rule (MSRB) G-10, on Investor and Municipal Advisory Client Education and Protection, Municipal Advisors are required to provide certain written information to their municipal advisory client and/or obligated person clients which include the following:

Municipal Finance Services, Inc. is currently registered as a Municipal Advisor with the U.S. Securities and Exchange Commission (SEC) and the MSRB.

Within the MSRB website at www.msrb.org, the Client may obtain the Municipal Advisory client brochure that is posted on the MSRB website. The brochure describes the protections that may be provided by the MSRB Rules along with how to file a complaint with financial regulatory authorities.

VI. Conflict of Interest Statement

As of the date of this agreement, MFSOK has performed a reasonable diligence to determine if there are any conflicts of interest that should be brought to the attention of the Client. During the diligence process, MFSOK has determined that no material conflict of interest has been identified, however, would like to provide the following disclosures:

MFSOK serves a wide variety of other clients that may from time to time have interests that could have a direct or indirect impact on the interests of another MFSOK client. For example, MFSOK serves as municipal advisor to other clients and, in such cases, owes a regulatory duty to such other clients just as it does to the Client. These other clients may, from time to time and depending on the specific circumstances, have competing interests. In acting in the interests of its various clients, MFSOK could potentially face a conflict of interest arising from these competing client interests. MFSOK fulfills its regulatory duty and mitigates such conflicts through dealing honestly and with the utmost good faith with its clients.

The compensation arrangement included in Section II includes a component that is based on the size and completion of a transaction. Consistent with certain regulatory requirements, MFSOK hereby discloses that such contingent compensation presents a conflict of interest regarding MFSOK's ability to provide unbiased advice to enter into such transaction. The contingent fee arrangement creates an incentive for MFSOK to recommend unnecessary financings or financings that are disadvantageous to the client or to advise client to increase the size of the issue. This may be viewed as a conflict of interest regarding our ability to provide unbiased advice to enter into such transaction. This viewed conflict of interest will not impair MFSOK's ability to render unbiased and competent advice or to fulfill its fiduciary duty. The fee paid to MFSOK increases the cost of borrowing to the Client. The increased cost occurs from compensating MFSOK for municipal advisory services provided.

If MFSOK becomes aware of any other actual or potential conflict of interest not mentioned above during this agreement, MFSOK will promptly provide the Client a supplement written disclosure with sufficient details of the change, if any, which will allow the Client to evaluate the situation.

VII. Legal Events and Disciplinary History

A regulatory disclosure action has been made on MFSOK's Form MA and on Form MA-I for two of MFSOK's municipal advisory personnel relating to a 2017 U.S. Securities and Exchange Commission ("SEC") order. The details of which are available in Item 9; C (2), C (4), C (5) and the corresponding regulatory action DRP section on Form MA and Item 6: C (2), C (4), C (5), C (6) and the corresponding regulatory action DRP section on Form MA-I for both Rick A. Smith and Jon Wolff. In addition, the Oklahoma Department of Securities adopted the above proceedings which are identified in Item 9; D (2), D (4) and the corresponding regulatory action DRP section on Form MA.

The Client may electronically access MFSOK's most recent Form MA and each most recent Form MA-I filed with the Commission at the following website:

www.sec.gov/edgar/searchedgar/companysearch.html.

There has been no change to any legal or disciplinary event that has been disclosed on MFSOK's SEC registration for MA filings since December 18, 2017.

VIII. Fiduciary Duty

MFSOK is registered as a Municipal Advisor with the SEC and MSRB. As such, MFSOK has a Fiduciary duty to the Client and must provide both a Duty of Care and a Duty of Loyalty that entails the following.

Duty of Care:

- A. exercise due care in performing its municipal advisory activities;
- B. possess the degree of knowledge and expertise needed to provide the Client with informed advice;
- C. make a reasonable inquiry as to the facts that are relevant to the Client's determination as to whether to proceed with a course of action or that form the basis for any advice provided to the Client; and
- D. undertake a reasonable investigation to determine that MFSOK is not forming any recommendation on materially inaccurate or incomplete information; MFSOK must have a reasonable basis for:
 - a. any advice provided to or on behalf of the Client;
 - b. any representations made in a certificate that it signs that will be reasonably foreseeably relied upon by the Client, any other party involved in the municipal securities transaction or municipal financial product, or investors in the Client's securities; and
 - c. any information provided to the Client or other parties involved in the municipal securities transaction in connection with the preparation of an official statement.

Duty of Loyalty:

MFSOK must deal honestly and with the utmost good faith with the Client and act in the Client's best interests without regard to the financial or other interests of MFSOK. MFSOK will eliminate or provide full and fair disclosure (included herein) to Client about each material conflict of interest (as applicable). MFSOK will not engage in municipal advisory activities with the Client as a municipal entity, if it cannot manage or mitigate its conflicts in a manner that will permit it to act in the Client's best interests. As of the date of receipt of this attachment, MFSOK has performed a reasonable diligence to determine if there are any conflicts of interest that should be brought to the attention of the Client.

IX. Recommendations

If MFSOK makes a recommendation of a municipal securities transaction or municipal financial product or if the review of a recommendation of another party is requested in writing by the Client and is within the scope of the engagement, MFSOK will determine, based on the information obtained through reasonable diligence of MFSOK whether a municipal securities transaction or municipal financial product is suitable for the Client. In addition, MFSOK will inform the Client of:

- A. the evaluation of the material risks, potential benefits, structure, and other characteristics of the recommendation;
- B. the basis upon which MFSOK reasonably believes that the recommended municipal securities transaction or municipal financial product is, or is not, suitable for the Client; and

- C. whether MFSOK has investigated or considered other reasonably feasible alternatives to the recommendation that might also or alternatively serve the Client's objectives.

If the Client elects a course of action that is independent of or contrary to the advice provided by MFSOK, MFSOK is not required on that basis to disengage from the Client.
