V. PUBLIC HEARING ITEMS

1. Public Hearing on Improvements to the Wastewater Treatment Facilities

A public hearing to accept public comment on the proposed improvements to the Coweta Wastewater Treatment Facility along with alternatives and their associated costs and environmental impacts of the project.

The floor was opened for public comment.

Mr. David Wyatt, the consulting engineer with WDB Engineering P.L.L.C., came forward to explain that this public hearing is a requirement to receive low-interest Federal funding for this project. Mr. Wyatt put together an environmental information document describing the need, the purpose and the process of the improvements to the wastewater treatment facility. The

document also includes proof that these improvements will not cause any environmental detriment, as is required by the Environmental Protection Agency.

There were no citizens in attendance for this meeting and no correspondence from any citizen regarding this project was received prior to this meeting.

No member of the Coweta Planning Commission was in opposition to this project.

Chairperson Melanie Lander closed the public hearing for this matter at 6:43 p.m.
